Foreword

Taking a firm look at our past, we turn to look toward the future. "... if one advances confidently in the direction of his dreams... he will meet with a success unexpected in common hours... If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them."

Our foundations for the future are being laid now by our faculty, activities, sports, and classes. After graduation the completion of our plans is up to us.

The future holds many plans and progressive ideas. Huge advances are being made in the field of education. Giant steps are being taken to improve texts, equipment, and buildings.

This TOTEM records the start of our second fifty years. It will show plans for new buildings, new ideas, and new student life.

Mr. Davis and Mr. Miller go over the pictures and specifications of the new building.

Mr. Homer Davis, principal, has completed four years as the head of Lincoln. The school started its second fifty years this year and he, as the students' foreman, has given strong support to the development of the school and the activities.

Mr. Ira Miller, aside from being "assistant foreman," is the adviser to the recently formed Citizenship Board, and also to Hall Patrol. Mr. Miller, who has been vice-principal at Lincoln since 1945, is a staunch supporter of student activities and school programs.

Student Council

Since its formation in 1945, Student Council has grown and developed into a sound, strong student organization. In a large high school such as Lincoln, the spirit, initiative and support of the student body reflects the leadership of a capable student government. Under the leadership of John Coart, Student Council President, Student Council had a very successful year. The challenge of starting a new fifty years in Lincoln's history gave added ambition and zest to their purpose. Student Council gave Dulinex its full cooperation. With the undertaking of the new foreign-exchange program with Germany, Student Council immediately set to work promoting the program and gaining the interest and support of the entire student body. Also among the important projects this year was the promotion of Citizenship Board, which was formed last year to encourage better citizenship around school.

Student Council is a vital part of the school. It offers qualified students a chance to learn good leadership, and it shows everyone the importance of an effective organization.

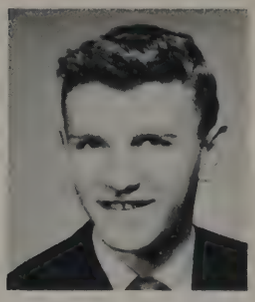
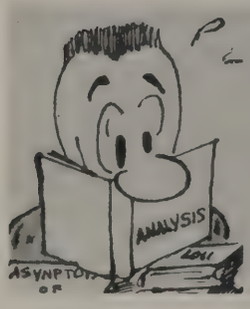
Roll Council



Vern Olson
President

Roll Council, led by Vern Olsen, Student Council Vice President, has been successful in promoting projects and solving school problems this year. The Vice Presidents of Roll Council were Steve Wieting in the fall semester and Walt Jule in the spring semester. The Agenda Committee, headed by the two vice presidents of the respective semesters, has done an outstanding job of organizing the questions and problems to be discussed at the regular meetings. In the fall, the committee was composed of Al Blomquist and Alex Prisadsky, seniors; Jerry Landeen and Sue Diament, juniors; and Joanne Blomgren and Jay Iman, sophomores. In the spring, the committee was comprised of Joan Payant and Wes Anderson, seniors; Patsy Bartlett and Dennis Gardin, juniors; and Charles Orth and George Cook, sophomores. The faculty advisor was Mr. Stanley Weiss. Recording Secretary, Sue Martin. The Corresponding Secretary was Helen Koo.



James C. Kennedy
Chairman

Janet Talcott
Vice Chairman

Citizenship Board

The Citizenship Board was begun last year as a new school organization. It was formed for the purpose of giving advice to students and maintaining good school morale. The Board took part in the orientation program for the Sophomores and made suggestions for school improvement. This year the meetings were held every Monday during fourth period in the Conference room. Officers were: James C. Kennedy, president; Janet Talcott, vice president; Bob Cadranell, Lynx Club Representative; Bruce Baily, Boys' Club Representative; Kay McKay, Girls' Club Representative; Marcella Hrvatin, Triple L Representative; and Linda Bigelow, Sophomore Representative.

Activity

Activity Cards Committee, which handles the sale of activity cards early in the fall, did an excellent job this year. At the end of their two-week drive, their percentage of sales was 96%! Over-all chairman, Jeanette Yost, was well-assisted

Safety

Leading the Safety Council through a busy year were Dick Miller, president; Tom Hoyt, vice president, and Linda Taitch, secretary. With the assistance of Mr. Knoll, advisor and the committees, Safety Council sponsored several events throughout the year. There were two Safety Weeks, one in November and one this spring. During these weeks there were such activities as a car

An Honor Society committee holds a meeting to discuss activity plans.

"I will study and get ready and perhaps some day my chance will come," once commented Abraham Lincoln. It could well be the creed of the Honor Society. The main activities sponsored by the organization this year were the assembly and the Honor Society Banquet, "April in Paris," which was held on April 17. One of the duties of the officers is to keep a record of scholastic standings and to pass out honor pins. Lincoln's organization is a member of the All-City Honor Society. The faculty advisor is Mr. Altman.

Honor Society officers check files before handing out pins.

Gary Gundstrom
President

Dulinex has fast become a major organization at Lincoln. Dulinex, which stands for the Duisburg - Lincoln exchange, held many fund-raising projects during the year. A Spaghetti Feast, held in December, started off the year's events. A share drive, and the play, "The Caine Mutiny Trial," added greatly to the collection of funds. Besides the executive officers, there are nine standing committees. They are Projects, Correspondence, Ways and Means, Assembly, Publicity, Exhibits, Special Events, Selection, and Picture. This year's officers were Gary Gundstrom, Pres.; Jerry Nordstrom, Veep; Rauleen Welch, Corr. Sec., and Barbara Towell, Rec. Sec. Mr. Stanley Kimball was the advisor.

A new advisor, a new group of officers, and a new half-century provided a challenging year for Girls' Club. Miss Janice Hanson, the new advisor, combined her ambition and spirit with that of the girls to promote a prosperous year. Girls' Club actively backed school functions and were ardent supporters of the new foreign-exchange program.

A hidden purpose of the various functions and doings of Girls' Club is to help prepare today's girls to become tomorrow's fine and worthy women. The organization provides an opportunity to assume leadership and responsibility, and will always be an active and vital part of Lincoln.

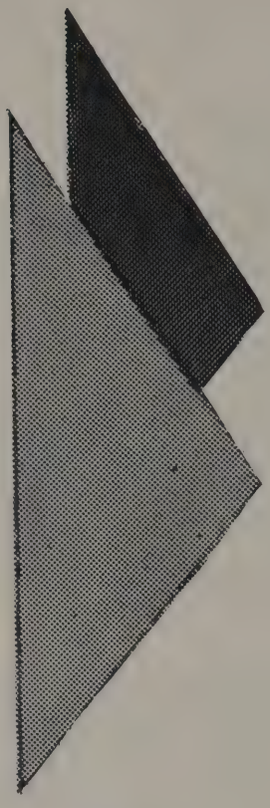
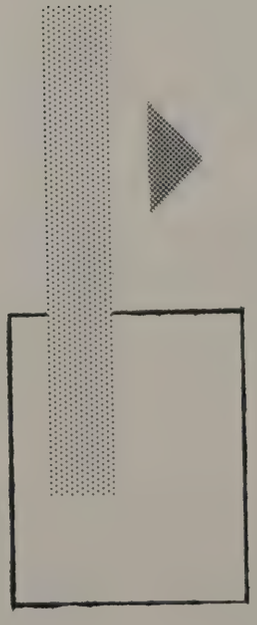
Art Activities Committee—This committee, led by Judy Weller and Marcia Hanvey, was responsible for making program covers for the Conference in November. Other projects included decorating the Girls' Club mirror and sending greetings cards each month to all of the other Girls' Clubs in Seattle High Schools.

Decorations Committee—Gala decorations for all Girls' Club activities this year were made by Nancy Gustafson and her committee. The main project was making decorations for the Girls' Club Conference.



Desk Girls—Desk Girls, with Linda Missimer as chairman, acted as receptionists for the girls advisor. They kept the Girls' Club clean and helped the sick girls. Keeping the new bulletin boards decorated in the Girls' Club office was another job undertaken by this group.



Fine Arts Committee—The duties of this committee, headed by Sally Johnson, are to advertise cultural activities, and aid the other art committees. Keeping the Girls' Club scrapbook was another project of this group.

Friendship Committee—Each month Molly Kingston, Pat Jones and their committee managed a front-hall bulletin board where they posted birthdays. They also decorated a table in the lunchroom and invited new girls to eat there so that they could get acquainted more quickly.

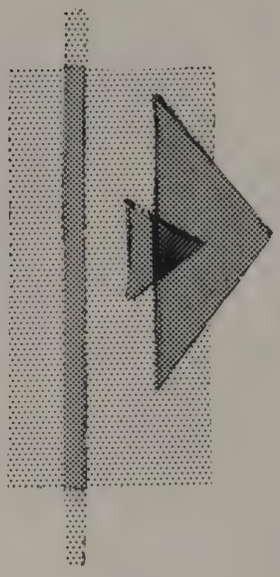
Health Committee—Tam Shiek and her Health Committee had the duty of selecting the foods which appeared on the menus for Girls' Club events. Miss Pauline Thompson was the adviser.

Hospitality Committee—The main purpose of the two-year-old Hospitality Committee is to welcome new girls to Lincoln. This committee made corsages trimmed with red and black ribbons and gave one to each new girl. Besides the corsage, each girl received a book which told them all about Lincoln.

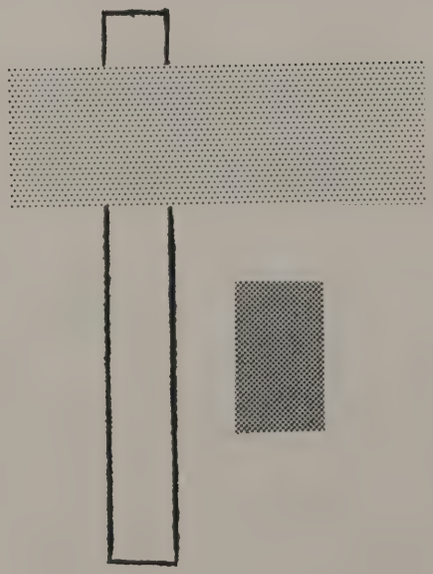
Lincolnette—Spreading news of Girls' Club activities was the first duty of the Lincolnette Committee. Articles on careers, fashion, and charm also appeared in the paper. The staff, with Sandy Fitts and Gail Noblett as co-editors, published the Lincolnette about once a month.

L.S. A.—The Lincoln Sophomore Auxiliary, organized to promote school spirit and friendships, had a busy year under the leadership of Patty Berg, president. Helping at the Miniature Conference, decorating the halls at Christmas and selling pom-poms were among their activities.

Minute Girls—The minute girls, composed of roll representatives to Girls' Club, played an important role in publicizing all Girls' Club events. Publicizing Girls' Club Week, "Around the World in Seven Days," was their main project. Gail Taylor, Girls' Club veep, presided over these activities.



Nurse's Aids---Nurse's Aids, under the direction of Liz Gourlay, work in the nurse's office everyday taking care of sick students, filing records, and issuing requests to report.



Personality Committee—Personality Committee members, along with their chairman, Diane Paradie, participated in many of the Girls' Club activities. These girls took part in assemblies, sold carmel apples, and assisted with the Mother and Daughter Tea.

P-TA Dance Committee—Lynne Roper and Jeanette Yost, with the assistance of their P-TA Dance Committee, planned all of the P-TA dances held throughout the year. Besides choosing the colors for and the name of each dance, this group made and put up the decorations.

Publicity Committee—Publicity for all Girls' Club events was handled by Merri Beth Nelson and her Publicity Committee. They publicized the Girls' Club parties, the Girls' Club Conference, and other projects such as the Carmel Apple Sale held in October.

Standards Committee—"Don't Be the Victim of a Locker Snooper" was the theme for the Locker Drive sponsored by Roberta Laiti's Standard Committee. Black silhouettes of Sherlock Homes were placed on the unlocked lockers. The Creed Drive and the Middy Drive were activities of the Committee.

Tea Service—Tea Service Committee handles the serving at all Girls' Club functions and also many of those of the P-TA. The committee's main task this year was serving at the Girls' Club Conference. Kay McKay and Dorit Adolph were co-chairmen of the committee.

Usherette Force—The girls of the Girls' Club Usherette Force had the opportunity to usher for several school functions. They ushered at the Senior Play, the Christmas Program, and the Spring Concert. Linda Latimer was chairman during the fall semester and Julie Soppe was chairman for the spring semester.

Tags Committee—The delightful tags worn at all Girls' Club events this past year were designed by Judy Sayers, Sue Diamant and their Tags Committee. Tags were made for such special activities as the Conference, Girls' Club Week and the Valentine Party.

Social Service—The Girls' Social Service Committee, headed by Gail Noblett and Terry Freeman, was kept busy throughout the year. Such projects as hemming diapers for the Red Cross and making joke books for rest homes were among the activities of this group.

Party Committee—This committee, with Vicki Jensen and Sharon Wood as co-chairmen, had a busy year planning the themes, decorations and entertainment for all Girls' Club parties. The first party, held in the fall, was to help new girls get acquainted. Parties at Halloween and Christmas, and a Valentine party were also included in the year's fun.

Bulletin Boards—The colorful Girls' Club bulletin board was decorated by Bonnie Rudd, Judy Daly, and their Bulletin Board Committee. This committee worked closely with the Publicity Committee in bringing news of Girls' Club events.

BASKET GIRLS

"Sociable, friendly, and efficient" were the passwords to becoming a basket girl. Another qualification was a good pair of lungs. These girls assisted the gym teachers by checking lockers, gathering keys, and doing other odd jobs. The basket girls this year were: Jean DePree, Vernice Erickson, Beth Goulding, Mary Hansell, Barb Hesse, Joan Holdorf, Yvonne Holten, Karen Johnson, Linda Latimer, Sue Martin, Elaine Nelson, Sharon Olson, Judy Payant, Joan Payant, Linda Proffitt, Bonnie Rudd, Barb Smith, Barb Trace, Faye West, Barb Woods, Sharon Wood, Sherry Zennan, Carol Steffey. Lincoln's Drill Team has performed its snappy maneuvers dressed in smart red and white uniforms during the past two years. Harriet Allyn captained the team and Bonnie Lang and Shirley Gould were her lieutenants. Mrs. Emily Clem was their advisor. The team performed in the Jamboree and also during half-time at basketball games. Practice took place in the Girls' gym during sixth period.

Big L is one of the busiest clubs around Lincoln. Besides turning out twice a week to earn points for their letters, Big L members put on many activities throughout the year. They sponsor a fudge sale, a school-wide roller skating party and a chocolate Easter bunny sale. The two special events of the year are the Mother-Daughter Tea at Christmas, and the Father-Daughter Banquet which is held in the spring. Lots of fun is had at all Big L functions, and the girls are given a good opportunity to make new friends. The officers this year were Sally Hull, Pres.; Gail Knott, Veep; Rose Ann Payne, Sec.; Mary Sholley, Treas., and Patty Jo Perret, Sergeant-at-Arms. Mrs. Emily Clem was the advisor.

BOYS' CLUB

Boys' Club exhibited a great deal of school spirit and initiative this year. At the beginning of the year, the members joined with other school organizations to push the campaign for getting voters to the polls for the school levy. They also supported in full fashion the Dulinex Share Drive held in February. The car registration, which was important safety-wise, was also handled by this organization.

Mr. William Muirhead, who became the new advisor this year, has taken a special interest in school affairs. He and the Boys' Club officers have busied themselves with promoting the organization and upholding Lincoln's good name. The boys who worked on the Boys' committees also played an important part in the success of the club.

Band

The band with Mr. Smedvig set the music pace for the Senior Day's Hall Dance.

The Pep Band really played a part of every game.

The band did an excellent job of arousing pep and spirit at football games and assemblies. Their music was really appreciated by Lincoln students. Chanters

Chanters have performed for many groups and are well known throughout Seattle. The members are: Harriet Allyn, Johnny Anderson, Bruce Baily, Janice Baugh, Dick Beaudry, Gene Bolin, Bill Brown, Elden Chapman, John Coart, Don Craig, Ronald Dittmer, Richard Donahue, Maure Englehart, Patty Fenton, Nancy Fogg, Liane Francis, Don Fulton, John Gerry, Gene Golob, Judy Goodwin, Liz Gourlay, Kay Halsan, Harriet Hansen, Renee Heidenrick, Barbara Hildreth, Donna Dree Hill, Marcilla Hrvatin, Sally Hull, Walt Jule, Ann Kejonen, Patricia Lindsey, Doug Losse, Eric Magelssen, Bill McAllister, Ron McCaffrey, Grady McCartt, Diane McDougall, Jim Meyers, Tom McMillan, Dick Miller, Wanda Moore, Earl Mullen, Valerie Olsen, Vernon Olsen, George Palmerton, Eugene Parmelee, Frank Pennington, Brenda Pesola, Nancy Philips, Pat Poe, Diane Prien, Margaret Randall, Ingrid Satermo, Gerald Scordan, Barbara Scott, Gary Smith, John Solberg, Karen Ullman, Judy Wendelin, John Wollenweber, Lynden Yackel, Sandy Young.

LATIN CLUB

Latin Club sponsored the International Breakfast this year. It was held on November 27, and included French Club and German Club, also. Celebrating Floralia Day, which is a Roman holiday, is another main activity of Latin Club. Club meetings are attended by the officers and five senators which are representatives from the Latin classes. Bill Jerauld was president, and Mrs. Snodgress was the club's advisor.

GERMAN CLUB

The Deutsche Verein was one of the most active foreign language clubs this year. Among their yearly activities were the Kandy Kane Sale, the Potluck Dinner, and the International Breakfast. This year the German Club helped with the All-City German program. This organization was another staunch supporter of Dulinex. This year's officers were Rick Carter, Pres.; Walt Jule, Veep; Judy McGladrey, Secretary, and Joel Van Emelen, Publicity Chairman. Mr. Kimball was advisor.

DEBATE TEAM

Lincoln's debaters were composed of eight students and were led by their advisor, Mrs. Wrede. The team met groups from every Seattle Public High School. The two questions debated this year were concerned with the United States foreign aid, and Northwest power. The team used the Oxford System and all debates were non-decision.

MAIN OFFICE

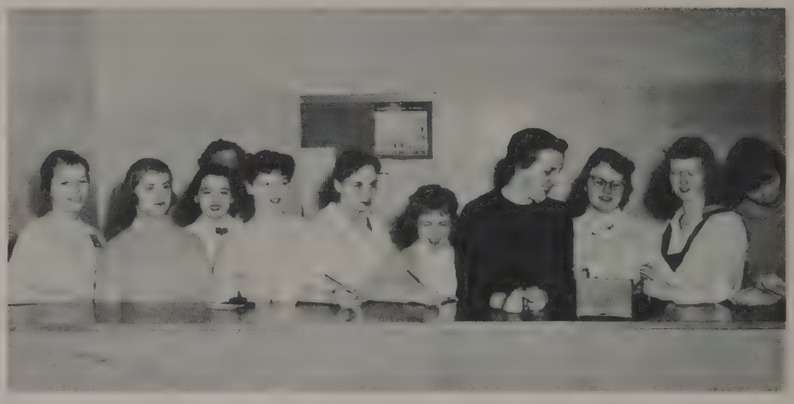
The friendly girls who worked in the main office had a busy job. Not only did they handle all in-coming and out-going calls at the switchboard, they also performed countless other duties. Among these were the daily bulletin, typing, daily mail and waiting on the counter. The school secretaries, Mrs. Washburn and Mrs. Davies, directed the girls in these activities.

STUDY HALL CHECKERS

Efficiency and willingness to give up one study period each day are requirements for Study Hall Checkers. These girls kept accurate records of sign-ins and absentees. At the first of each semester the arduous task of assigning each student to a seat and recording gym days fell to these girls. Running errands, typing and helping in general kept these girls occupied when other work was completed.

ATTENDANCE OFFICE

Keeping attendance records in order is a big job, but one which Mrs. Baker's attendance office attendants tackle with confidence. These girls collect green sign-in slips, check early dismissals and absentees, file, type, run office machines and print an absence bulletin each morning by ten o'clock. Valuable experience is gained by the attendance office workers in co-operation as well as in office duties.



COUNSELOR'S OFFICE

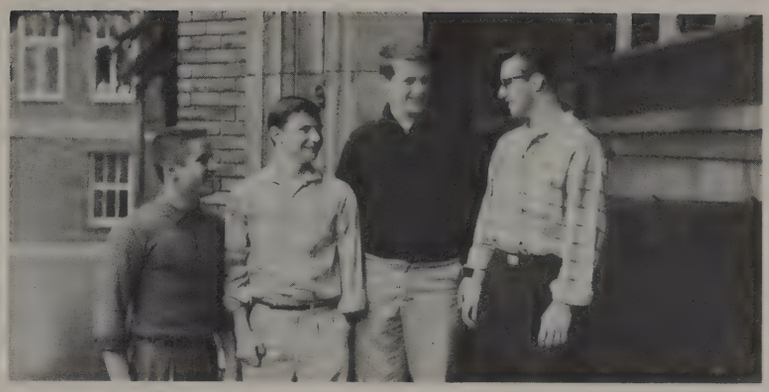
The counslor's office is always busy. Without the help of the students who work there, many activities would be slowed. These girls help the counselors change programs, select colleges, and direct students in what courses to take. Valuable office experience is gained by these girls as they file, type, meet others, and co-operate with one another while performing their job in 103.

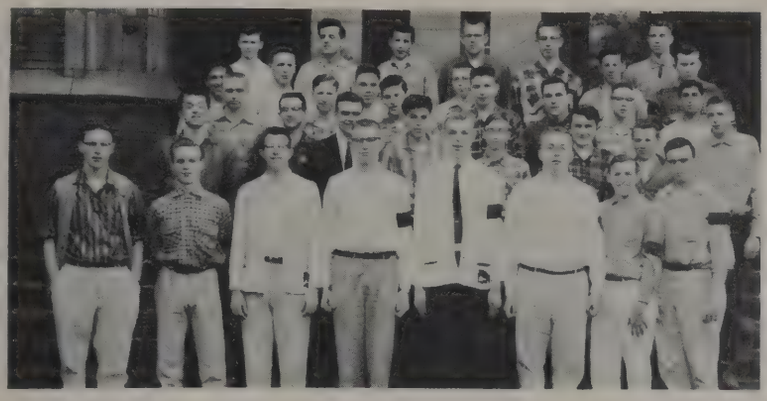
LINCOLN PAGES

The students who work in the library constitute the members of this club. There were approximately forty members this year, and meetings were held twice monthly to discuss library problems and projects. The decorations in the library were designed by these student aids. As library assistants their duties included acting as door guards, typists and desk attendants. Their advisor was Mrs. Hellene, the librarian.

FIRE SQUAD

During every fire drill at Lincoln you could see members of the Fire Squad at their stations giving orders and directing students. Their principle jobs are to see that no one loiters in the school during a drill and to see that once the students are outside the building they keep moving in the right direction. Mr. Miller sponsors Fire Squad.





HALL PATROL

The Hall Patrol, easily recognized by their arm badges, plays an important part in our school. They ask for hall passes from students wandering in the halls, therefore preventing cutting classes, keep the halls neat and clean, assist teachers and pupils when called upon, and greet and direct visitors to the school. Serving as advisor for this group was Mr. Miller.

SIGN BOYS

This year a new group has been formed. A group of boys, cooperating with Safety Council, placed "Street Closed" signs on the streets at the front and back of Lincoln every day at 7:30 in the morning. At 3:30 in the afternoon the signs were removed. The sign boys helped prevent accidents and unnecessary noise around the school by performing this task.

USHER FORCE

Upholding the school's sportsmanship, and preserving the good name of Lincoln were part of the duties of the Usher Force. These boys arrived at football and basketball games several hours early to act as door guards and guides. The bright orange band worn on their arms marked them as part of the Usher Force. Mr. Ellis was their advisor.

ART LIBRARY

Have you ever visited the Art Library? Chances are you have not. According to the girls who work there you are missing a wonderful opportunity. Under the advisorship of Miss Kinnear these girls took care of the library materials and prepared them for use at any time. This library is dedicated to the cultural interests of the Lincoln student body and faculty.

FUTURE TEACHERS ASSOCIATION

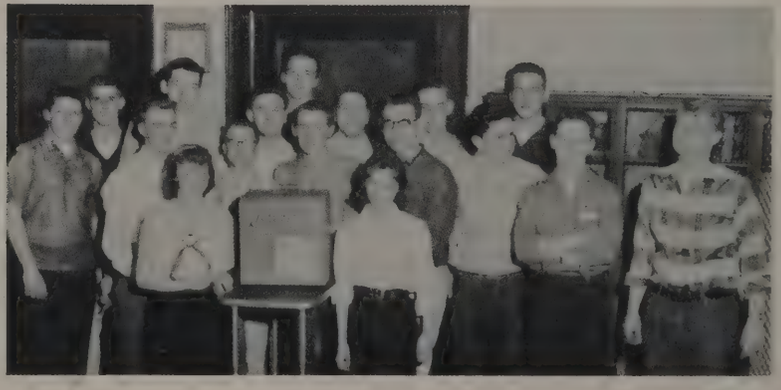
F.T.A. inspires students to look into the career of teaching. At the various meetings, plans for college are made, speeches are presented, and talks are given on many phases of teaching. A field trip is taken yearly to one of the grade schools in Lincoln's district. This provides a chance for the students to observe teaching techniques. Officers were Rose Ann Payne, Pres.; Paul Wobbe, Veep; Peggy Boone, Sec-Treas. Miss Cole was their advisor.

LOST AND FOUND

Lincoln's Lost and Found has acquired some strange articles in the past such as camp cot, half of a pup-tent, and one boy's left black shoe. The main supply is text books. Three students and their advisor, Miss Werby, were in charge of checking in and out all misplaced articles.

MOVIE SQUAD

The students, who compose this squad, don't consider it any special treat to see a movie . . . it's their job! Every period of the day there is a movie squad member available for service. The captain, Evan Clayton, and his crew are in charge of receiving, returning and showing films. The squad's advisor is Mr. Wilhem.



RADIO CLUB

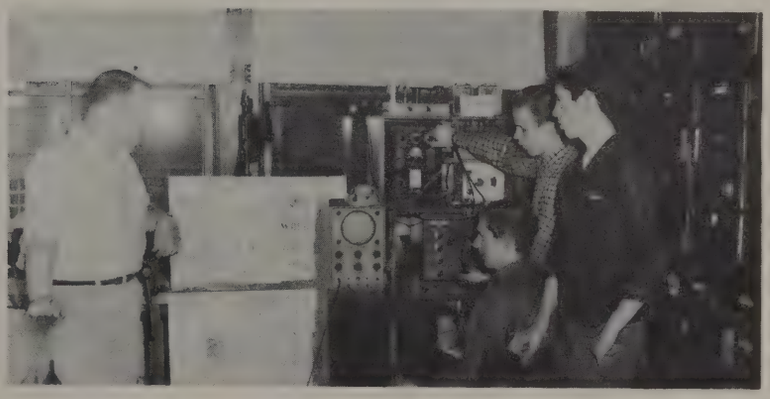
Have you ever received a radiogram from another nation? Then it is plain that you do not belong to Radio Club. Under the direction of Mr. Roys, the members of this club learned in class the principle of how a radio works. Then after school or during their free period these boys spent their time trying to pick up more interesting radiograms.

TICKET FORCE

During the football and basketball season, the boys and girls of the Ticket Force were kept sufficiently busy and then some. These students handled the sales of all tickets, punched activity cards and took tickets. Lunches were often skipped so that the precious tickets could be sold to the eager student body. The advisor for this committee was Mr. Scheele.

STAGE CREW

You remember the stage crew from the remarkable job they did with the scenery in "I Remember Mama." For the first time scenery was rearranged and moved in full view of the audience. Besides the senior play, the boys of stage crew prepared and set up the scenery for every assembly or production staged at Lincoln. These boys were directed by Mr. Rideout.



CHESS CLUB

The purpose of the Chess Club is threefold. Not only is a better understanding of the game encouraged, but this group also provides a way for chess lovers to meet and compete. Moreover, those who belong to Chess Club are sure of a pleasant and interesting afternoon every time a meeting is held. Miss Cole was advisor and meetings were held in room 221.

SCIENCE CLUB

This year the Science Club followed a different policy. In the past this club concentrated its efforts on chemistry and quantitative analysis. During the past two semesters, however, under the leadership of a new advisor, the club has included biology and physics in its studies. Science Club meetings were held in room 302. Jim McInnes was president and Mrs. Masis was advisor.

JAMBOREE—The annual football jamboree marked a good beginning for the Lincoln squad. In the third 15 minute quarter of play, the Lynx defeated the favored Garfield Bulldogs 6-0 in one of the biggest surprise scorings of the season. Because of this score and that of another West-side school, the West defeated the East 12-0.

LINCOLN 7 VS. QUEEN ANNE 14—In the first half of this game the Lincoln Lynx fumbled seven times, one of their fumbles landing in the Grizzlies' end zone for one of Quays' touchdowns. The lone Lincoln score came when fullback Doug Learman recovered a Queen Anne fumble. Co-captain, Mike Malan, ran the necessary yardage for the touchdown and Jim Gillett kicked for the extra point.

LINCOLN 0 VS. BALLARD 27—Fumbles, injuries, penalties, and interceptions were the main causes for this severe Lincoln defeat by Ballard. The Beaver's all-city quarterback, Buster Crook, threw two of their touchdown passes and ran one over for another tally.

LINCOLN 0 VS. GARFIELD 12—This, the second meeting of these two teams, turned out quite differently from their first clash. Garfield's timely passing and running accounted for their first 6 points while a blocked Lincoln punt, recovered in the end zone by Garfield, boosted the score to 12. However, the Lynx had more first downs and more total yards gained than did the Bulldogs throughout the game.

LINCOLN 0 VS. FRANKLIN 27—Franklin's quarterback, Ron Santo, led the Quakers in both passing and running during the fourth game of the season. Backs, Buzz Crites and Jim Williams also contributed to Franklin's speed with their drive. A last-second punt return for 62 yards also hurt the Lynx.

Nick Murphy (48) and Gary Swinney (71) stop Queen Anne on a drive up the middle.

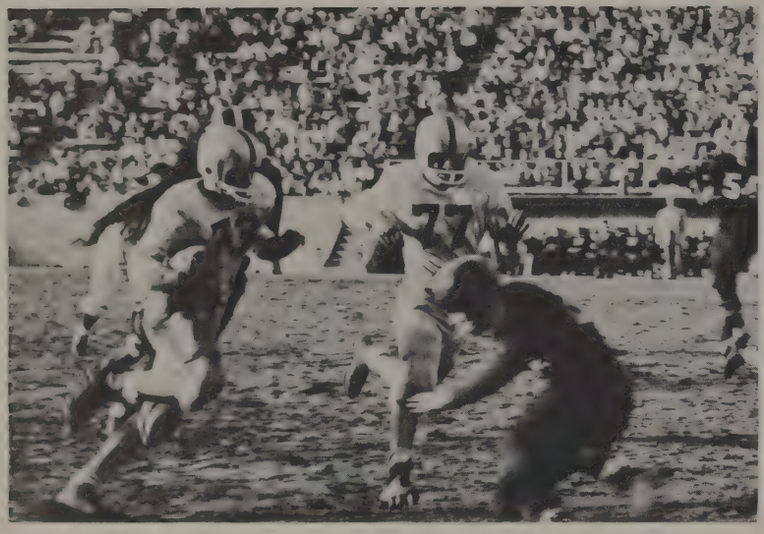
LINCOLN 6 VS. ROOSEVELT 14—Lincoln's 6 points came when halfback Jim Reed caught a pass and ran 29 yards for the touchdown. Two plays earlier Reed had been called back on a 24 yard run because of offsides. Roosevelt's Mike Monroe scored both of the Teds' touchdowns in the first half. In the next half, however, the Lynx held the Teds to a 0-0 score.

LINCOLN 7 VS. WEST SEATTLE 19—A strategic Lincoln fumble in the Indian's end zone accounted for the first of West Seattle's three touchdowns. The other two came on short runs. A strong Lincoln drive of running and passing and a short sprint by Jim Reed chalked up six points for the mighty Lynx. Cary Bozeman passed to Gerald Clark for the extra point.



Bill Haynes, in foreground, tries to stop an end run by the Beavers.

LINCOLN 20 VS. CLEVELAND 0—After six losing games, Coach Mahoski's Lynx put four well-played quarters together and came out with its first and only victory of the season. In this final Lincoln game Bill Haynes, Cary Bozeman, and Chuck Allemandi each contributed 6 points. Jim Gillett added 2 points on conversions. Quarterback Cary Bozeman accounted for 129 of Lincoln's 294 yards. The Eagles were held to a total of 55 yards and no first downs.

THANKSGIVING DAY GAME—This exciting game saw Seattle's Garfield Bulldogs pitted against Tacoma's Clover Park Warriors at the High School Memorial Stadium. A crowd of 8,500 packed the stands to watch the hard fought battle between the two champs. On a series of passes and short runs the Bulldogs reached the end zone and 6 points, thus making the only score and winning the game.

In one of the most exciting Basketball Jamborees in history, the East high schools (Roosevelt, Garfield, Franklin and Cleveland) came out on top over the West schools (Lincoln, Ballard, Queen Anne and West Seattle) 72 to 70. The Lynx tied Roosevelt in this meet, 17-17, in their quarter of play.

With the help of Roger Niva and John Riseland, the only two lettermen, Lincoln extended its win streak to 38 straight (the longest string ever in the state). Included in these games were four City Championships, a seventh place state position, and two State Championships.

In the two years John and Roger have started for the Lincoln five, they have only seen two defeats. Counting the second team and varsity games which Roger has suited up for, 67 in all, he has only been on the losing side thrice, once against Garfield in 1956 and twice in the State Tournament of 1958.

This year, as in the past, the Lincoln players have worked together in all phases of life. In every game there was, besides Niva, who average 24 points a game, at least one, two or three others who scored in double figures for the Lynx.

Like other teams, Lincoln had both its hot and cold nights. The shooting, for instance, varied from 24% in the second Garfield game to 55% in the Stadium game.

Next year, with Jim Curley, Chuck Allemandi and a second place second team, the Lynx will be out to start a new win streak.

Congratulations to the team, coaches, faculty, and most important of all, the student body for the great sportsmanship that prevailed during victory or defeat.

Listen you guys!

Congratulations, Coach!

The graduating class of 1960 has already shown itself to be full of ambition, ability, and school spirit. With their enthusiasm, and the help of Mrs. Eleanor Snodgrass, their advisor, this class has become an active part of Lincoln.

Last December there were seventy-nine interested and capable sophomores who signed up as candidates for offices. In the final election, Bill Beck was named President; Shirley Osborn, Vice-President; Linda Murphy, Secretary-Treasurer; Janet Lechelt, Totem Reporter; Jay Iman, Student Council Representative; Linda Bigelow, Citizenship Board Representative; and Tom Aylesworth, Boys' Club Representative.

Besides having representation in Student Council, Boys' Club, and the newly-formed Citizenship Board, the Sophomores handled the decorating and serving for the annual Junior Day Breakfast.

Striving to build a sound foundation for their senior year, the Class of 1959 successfully accomplished the many activities they undertook. John Parks was well-assisted by his staff and the advisor, Mrs. Roberts. Under their able leadership, the class progressed through the year and ended it full of eagerness to push on.

The Junior Red Cross Drive was the first project of the year and it ended with the largest total ever made. Next in line was the planning for the Senior Banquet. Efficient committees were responsible for its success. Janet Talcott was this year's over-all chairman for Junior Day. The committee chairmen selected "Caribbean Holiday" as this year's theme. Special decorations decked the main hall and extra activities highlighted the day, including the Junior Breakfast and a Saturday night dance.

Senior Class Officers

Alas Alack! So soon we're through,
To all the fun we bid adieu.
Three years have flown on dancing feet,
To leave us only memories sweet.

The Juniors staged a breakfast great,
And we poor "sophs" did table-wait.
Upward, onward, our goal we knew,
The Junior honor we'd pursue.

As Juniors we were wide awake,
By storm old Lincoln would we take.
But we had just begun to go,
With work and plans we came aglow.

"It's Greek to Me," our theme rang out,
The day was tops without a doubt.
But Seniors shortly would we be,
With honor, pride, and dignity.

And then September came so soon,
Pins, then sign-ups was our tune.
Then Senior Days had come at last,
"Way Back When" we named this blast.

The final night—a perfect prom,
But thoughts of ending brought a qualm.
This carefree life we'd have no more
When we walked through the final door.

Mike, It's really
been fun being
in the same Jr. room
with you this year. Those
days wouldn't have been complete
without your cute remarks and wise
cracks. It would have been fun if things
had turned out differently but then it's fine
the way it is. I hope we'll always be
best of friends ever
after we're out of
school. I hope you
really have a
nice summer
(lots of fun)
& don't forget
to come back
to Jr. Hi. next year &
see all us
left here.
Love,
Susan
